Issue 3, Term 3, 12TH September 2018

Our Charism

As Marists, we think, judge, feel and act in the way of Mary

Our Mission

Quality learning opportunities, with Jesus Christ as our guide

Dear Families,

Welcome to Te Wiki o te Reo Maori - Maori Language Week 2018. The theme for this year is '**Kia Kaha te Reo Māori**'. 'Kia Kaha' is well known in New Zealand English with its correct Māori meaning of 'be strong'. When we say '**Kia Kaha te Reo Māori**' we're saying - '**Let's make the Māori language strong**'. "*Strength for an endangered language comes from its status, people being aware of how to support revitalisation, people acquiring and using it and from the language having the right words and terms to be used well for any purpose.*" This week we began our Monday assembly using Te Reo Maori as part of our greetings and prayers. Te Reo is in use for instructions, greetings and prayers throughout this week of celebrations.

Catholic Schools Cross Country

Yesterday 36 of our Year 3 to 6 children represented us at the annual Catholic Schools Cross Country held at Monte Cecilia Park. The cross country is a very challenging run with the infamous 'killer hill' living up to its tough reputation! Congratulations to Luca Joint Rotondo who placed 5th in the Year 6 boys race, to Harmony Hurt who placed 10th in the Year 6 girls, Tessa Lepionka who placed 10th in the Year 4 girls, to James Dobrec who placed 17th in the Year 4 boys and to Tim McIntyre who placed 19th in the same race. With a record 17 schools participating and almost 600 competitors, each race had between 65 and 75 runners, so we are very proud of our placings. Our children were exemplary in their behaviour and their Marist spirit, cheering each other on and supporting each other well. Thanks to those parents who helped with marshalling and to Dale Nolan and Adrienne Faulkner for their work on the day and in preparation.

90th Jubilee – Community Celebration

On Saturday 8th September we held our community celebration marking 90 years since Marist Catholic School Herne Bay began under the tenacious efforts of the Marist Sisters. The day's celebrations were just wonderful with a glorious spring day setting the scene. Mass began at 2pm with members of our school choir leading the singing and Izzy and Olevia performing a beautiful liturgical dance.

Mass was followed by the sharing of the journey of our school over the past 90 years which has been published on our website under the 90th Jubilee tab <https://maristhernebay.school.nz/90th-jubilee/> The attendees with the longest association with the school (as pupils in the 1940s) cut the gorgeous Jubilee cake. We made our way up to watch Fr

Rory bless the site where we plan to plant the Jubilee Orchard (See later in newsletter for details of how to contribute to this worthy legacy school project). Following the blessing of the orchard site, we enjoyed a beautiful afternoon tea and bubbles. Lots of attendees spent time looking at the myriad of old photos we had on display back through the ages, enjoying spotting images of themselves or people they knew from when they were associated with the school.

There were plenty of current children and their families present to add to the celebrations. We were so fortunate that Danny and one of his colleagues from our Kelly Club before and after school programme volunteered their time to come along in the afternoon with games and activities for the children. We were also fortunate that the wonderful PTA team provided pizza for the children with Kiri Hannifin sourcing fruit for the children to enjoy.

Matt Klitscher, photographer, did us a great service by volunteering his time and skills as a photographer to capture the day as well as taking decade photos while we enjoyed afternoon tea. When ready, these photos will be available on our website for all to enjoy, download and keep as you desire – with great thanks to Matt for his generosity.

The organising team made up of Melanie Arnould, Lucy O'Mahoney, Kiri Hannifin and Ida Dowling did a fabulous job of creating a wonderful event that marked a very special milestone in our school communities history. Thanks ladies.

90th Jubilee – School Celebration

On Wednesday 4th September, the actual day 90 years ago that Marist Catholic School Herne Bay opened its doors to their first 9 students, our school celebrated in remembrance of this special day. Our celebration centred around Multicultural Day, as we are who we are today thanks to the Marist Sisters

starting our school 90 years ago, from many diverse parts of our world and from many different cultures, but all united as Catholics under the Marist Charism. We were fortunate to have Sr Margaret and Sr Karin attend our celebrations where we began with a liturgy followed by the burying of a time capsule beside our new classroom

block. This time capsule held images of the children at work, statements about what they liked about school in 2018 and messages to whomever opens the capsule in the future. We included our RICH values visuals and an image of the whole school too.

After this we held our cultural parade. It was fabulous to see our children proudly parading around our quad dressed in different clothing representing the different cultures in our school. At the end of the parade, our wonderful and supportive parent community were ready with cultural food stalls to provide lunch to the hungry many. Our children were adventurous, trying foods from around the world that they had not tried before, or revisiting food stalls they remembered from the past and resampling the delicious food on

offer. The selling of food on multicultural day raised \$2039.77 for the school which is just wonderful. The atmosphere at lunch was fantastic! A special day like our 90th Jubilee school celebration does not come together so well without the help and support of so many: Katherine Bartlett our DRS put together the beautiful liturgy and our teachers and students put together great items to contribute to the time capsule. Our PTA whanau reps and parents were so supportive in putting together food stalls to sell food on the day and the effort put in to the cultural costumes on the day was also fabulous.

Kath Dyer made the food selling simple by providing the float for each food stall and handling the collection of the money. Thanks one and all for the effort put in as the resulting special day is what memories are made of for our young learners who will treasure these memories for a lifetime.

Tongan Language Week

Last week (what a busy week!), was Tongan Language Week. The theme of the week was 'Fakakoloa 'O Aotearoa 'Aki A E 'Ofa Fonua' *Enrich Aotearoa with the love of duty and service to Country, Community and People*. We celebrated Tongan Language week alongside our Jubilee celebrations, with Tongan prayer a prominent feature of the liturgy we held on Multicultural Day as well as having our Tongan children proudly leading prayer across the week.

Festival of Language

Last Wednesday 5th September we held our first Festival of Language finals. This year the Inner City Schools group have launched this initiative to replace the traditional Speech Competition which has been held annually for many years. The Festival of Language, not only acknowledges the place of traditional speeches, but also incorporates three other different oral language genre into the competition; 10 square flash (Ted Talk based), Spoken Word (Poetry) and Rap. Our finalists did a great job last Wednesday presenting across all four genre and we are pleased to announce the winners that will be representing us in the Inner City Competition coming up early next term are 10 Square Flash: Billy Simpkins, Runner Up Sina Murphy, Spoken Word: Sophia Jongco, Runner Up Analeisha Augustino, Prepared Speech Lily Grace Barrington, Runner Up Joe Robertson, Rap: Matisse van der Veer, Runner Up Grant Alderton. We wish them the very best of luck for the competition

Hub 3 Mass

Last Wednesday Hub 3 celebrated Mass together. This was a special occasion for our Hub 3 students who celebrated the baptism of Flynn and Maddison Rodgers as well as having Flynn and Roman Dunbar make their first communion and confirmation. Hub 3 were proud to be able to share this special occasion with their classmates – congratulations to Flynn, Maddie and Roman.

Daffodil Day

On Friday 31st August we had a very successful 'wear yellow' day to support the Cancer Society in their important mission in cancer research. We raised \$386.80. Thank you to all those who contributed to this fundraising initiative.

Catholic Special Character External Review

On Wednesday and Thursday 29th and 30th August we welcomed Philip Mahoney, Director of Education for the Catholic Schools Office in the Auckland Diocese along with his colleague Neil Laurenson and observing Principal David Tennant who is principal of St Mary's in Papakura into our school. The team of reviewers spent their two days with us, observing in classrooms, looking at planning, implementation of programmes, assessments, student book work and interviewing our board of trustees, parish priest, senior leadership team, our Director of Religious Studies, parents, students and support staff in order to gain a full picture of the enactment of our special Catholic Character here at Marist. We shared our school practices with such pride and took great pleasure in showing the review team how we operate as a Marian school under the Marist Charism. The review document is currently being put together and will be ready for publication within the next few weeks. Once it comes through we will share this with the community and place it on our website. Thank you to those parents who participated in the review.

DRS CORNER

This week is **Social Justice Week**. Each year the Catholic Bishops of New Zealand set aside a week in September for Social Justice Week, inviting us to reflect and take action on a current social justice issue. This year, we focus on disability and participation. How can we encourage more enabling communities, affirming that everyone has a part to play in our society? This would be a great topic of discussion with your children (and possibly action!). Here are two links to prayers and stories: <https://caritas.org.nz/system/files/related-downloads/SJW2018%20Prayers.pdf> and <https://caritas.org.nz/system/files/related-downloads/SJW2018%20Stories.pdf>

ENROLMENTS FOR 2019

If you have a child in your whanau who is due to turn 5 during the 2019 academic year, now is the time to be in touch to enrol them. We will be allocating places for 2019 in the Term 3 / 4 holidays of this year, so if you haven't yet got enrolment forms in for your child please do so with urgency.

CANS FOR CHRISTMAS

This year, Marist continues to be a part of 'The Cans for Christmas' drive to collect canned or tinned foods to support St Vincent de Paul and The Mercy Hospice. All the cans collected will be distributed at Christmas time to families and people in need.

In support of this drive, students and their families are requested to bring as many cans of food as possible, to their class/hub. There will be a box in each classroom/hub for students to deposit the cans. At the end of each week, the cans will be collected, from the classrooms/hubs.

The last day to bring in cans is **this Friday, 14 September**.

Please bring in a few cans of food each week or as many as possible. Your generosity will go a long way and reach out to those who are hungry or cannot afford to make ends meet

STUDENT VOICE

Last year Mrs Rahimi established a gardening club to support Mrs Nolan in her role as the Enviro leader of our school. The gardening club came up with an idea to beautify and paint our Friendship Bench. They used the fresh parsley in our garden (Planted by Mrs Nolan) to make Tabbouleh and Hummus to sell to raise money for buying the paint. Unfortunately the gardening club didn't have the opportunity to paint the Friendship Bench as it was close to the end of the year. This year the enviro leaders and Mrs Rahimi along with some other amazing helpers finished painting our friendship bench. It looks amazing!

Gardening club members: Sina Murphy, Awhi Gardner, Francesca Watt, Zachary Brown, Mackenzie Fleet, Frederica Sang, Finn Lloyd, Louie Thawley, Josh Benoza

Enviro leaders: Josh Benoza, Billy Simpkins, Allegría Arnould, Francesca Watt,

Helpers: Coco Monreal, Sina Murphy, Kate Danaher, Sophie Dyer
