

Dear Parents,

This letter is to inform you of the composition and purpose of the school attendance dues and voluntary financial contributions for 2019.

As an integrated school we do not receive the same funding as a public school and therefore seek the support of our community in the form of voluntary financial contributions so that we can provide additional teaching resources such as computers, teacher aides, Tikanga and Te Reo Maori, Athletics, support staff, reading recovery and many others.

Please note that the collections on behalf of the Catholic Schools Office are compulsory however, the simple fact is we could not run this school without additional voluntary financial contributions from families. It is noted that Athletics and activities covered by the Activities Fee are additional to the core curriculum and payment is requested in respect of these activities.

We have issued each family with a statement that outlines the full years' worth of compulsory Catholic Schools Office payments and voluntary contributions – this does not mean you are expected to pay the entire amount in one go. You can also set up regular automatic payments (termly, monthly, or weekly) if this makes payment easier.

The bank account number for payments is **Marist School (Herne Bay) 12-3019-0483173-50**. Please use your child's full name as a reference. These details are also on the bottom of your invoice. If you chose to make several one-off payments over the year, please also include the item of the account you are paying as this is helpful for our accounting purposes. If required, payment by cheque or cash can also be made at the office.

You may qualify for an income tax credit from Inland Revenue in relation to contributions made to the school.

If you think you may have difficulty with payment, please contact the school office as soon as possible at the beginning of the year to discuss your options or apply for a hardship grant from the Diocese.

Yours sincerely

Marist Catholic School Herne Bay Board of Trustees
