Message from the Principal.....

Mālō e lelei!

Tongan Language Week / Uike Kātoanga'i 'o e Lea Faka-Tonga, this week our children who speak lea faka-Tonga become experts in the classroom. We thank them and our Tongan families for sharing their expertise and experience of this rich culture that plays such an important part in New Zealand society. We look forward to next week to celebrate two themes that are very close to our hearts: Book Week and Social Justice Week. With so much happening next week we have decided to celebrate Māori Language Week / Te Wiki o te Reo Māori the following week. So many celebrations so please do discuss these important themes with your children and what they mean to us all as Catholics and New Zealanders.

A big thank you to our PTA for purchasing the amazing new projector screen in our hall. This is going to be a real asset to our school. The PTA is often looked on as a fundraising group but it is, in fact, far more than that. It is an important vehicle for building a strong Marist Catholic School community, providing friendship and fun and a way of getting to know each other better. PTA meetings also give us an opportunity to talk about school happenings in an informal way and are, therefore, a valuable means of communication between home and school. There is plenty of research that shows that the more parents are involved in their children's education, the better their children perform at school, and belonging to the PTA is a great way to get involved.
